What are COMMUNITY FOUNDATIONS?

Community foundations are charitable organizations built over time through gifts donated by various community members and organizations. These gifts are then pooled and permanently invested through trusted institutions. Each year, a portion of the interest earned on these investments is granted back to support your local charities. And, best of all, since the permanent investments are never spent, your gifts will continue to support your community forever.

What is the ENDOW MANITOBA GIVING CHALLENGE?

The Endow Manitoba Giving Challenge is your opportunity to help your community foundation grow exponentially. Gifts made to your community foundations' UNRESTRICTED FUNDS between **November 12-17** will be "stretched" through the combined efforts of the Manitoba government and The Winnipeg Foundation – increasing the amount your foundation receives.

Help your community foundation reach their Giving Challenge goal. Contact your local community foundation for details and giving options.

Gifts may be made online at endowMB.org or at our community foundation.
