## Practical insight. Trusted peer connection. Learn, govern, lead with confidence

A network designed to strengthen your leadership table, sharpen your governance, and advance your purpose.

### **Stronger Governance**

Tools, templates, and guidance to support effective board leadership and decision-making.

### **Practical Support**

Ready-to-use resources, CRA guidance, and real-time support as requirements evolve.

### **Learning & Leadership Growth**

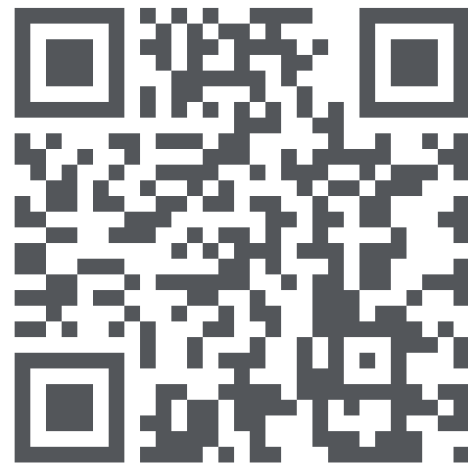

Peer learning, workshops, and coaching to strengthen your confidence and capacity.

### **Connected National Network**

Relationships, shared learning, and a space to exchange ideas with peers across Canada.

### **Clarity in a Changing Landscape**

Timely insights, updates, and a trusted partner to help you navigate complexity.

## Supporting Your Work. Shaped by Your Reality.

We design our resources, tools, and programs based on what we hear from you, so you are supported in the work that matters most.

### **Build Skills & Capacity** (Learning Institute + resources)

- Practical training in governance, onboarding, and regulatory topics
- On-demand learning and coaching
- Tools you can apply immediately

### **Connect, Learn & Share**

- Virtual and in-person peer learning across Canada
- Cohorts and communities of practice
- Timely insights on priority topics (e.g., T3010, governance, fund development)

### **Strengthen Federal Representation & Advocacy**

- Guidance on CRA requirements and Finance Canada regulatory changes
- National representation with government and sector partners
- Advancing the role and impact of community foundations

### **Access Funding Opportunities**

- National and collaborative funding initiatives
- Support to design and deliver impact programs
- Opportunities to expand reach (e.g., Free to Play)

### **A Network leading Together**

Whether you are navigating governance, responding to change, or exploring new opportunities, you are part of a network that is learning, adapting, and leading together.
