

Pilot Mound & District Foundation Inc.

ANNUAL REPORT

April 1, 2023 — March 31, 2024

We are a Community Foundation

A community foundation is a collection of individual funds given by caring citizens and businesses who have chosen to give back to their community to make it a better place to live and work, now and in the future.

The Pilot Mound & District Foundation holds its capital in perpetuity in a professionally managed and ever-growing permanent endowment fund.

Earnings from investments are distributed back to our community through grants. Donors to the Foundation can be confident that their gift will continue to benefit Pilot Mound forever.
