

Pilot Mound & District Foundation Inc.

ANNUAL REPORT April 1, 2019 – March 31, 2020

We are a Community Foundation

A community foundation is a collection of individual funds given by caring citizens and businesses who have chosen to give back to their community to make it a better place to live and work, now and in the future.

The Pilot Mound & District Foundation holds its capital in perpetuity in a professionally managed and ever-growing permanent endowment fund. Earnings from investments are distributed back to our community through grants. Donors to the Foundation can be confident that their gift will continue to benefit Pilot Mound forever.

James Hyslop Memorial Scholarships

Two scholarships of \$777 each were awarded to graduates of Pilot Mound Collegiate who left their community to pursue post-secondary education. The 2019 winners were:

Joryn Buchanan
is enrolled at
University of Manitoba
taking the Diploma in
Agriculture program

Joslyn Orr
is enrolled in the
Bachelor of Arts/
Bachelor of Education
program
at Brandon University

Both of these students demonstrated the combination of citizenship and academic achievements required by the donor.
