

THE OBJECTIVES OF
THE SOUTHWEST MANITOBA REGIONAL FOUNDATION

The Board of Directors of the Southwest Manitoba Regional Foundation will utilize all of the foundation fund that is classified as revenue, less allowed administration costs, by dispersing the funds in support of the objectives of the foundation by funding those registered charities that:

1. will support education advancement and enrichment programs;
2. will support and encourage the maintenance of sustainable life style for senior citizens and disadvantaged persons;
3. will enhance the provision of medical and social services to those in need;
4. will support the recreational pursuits of community members;
5. will encourage and support cultural activities that may assist in a moral, mental and physical development in social understanding;
6. will assist in funding projects which will preserve, protect, and improve the environment; and
7. will fund other activities that will be beneficial to the community as a whole and in a way the law regards as charitable including other organizations that are registered with Revenue Canada as charities for income tax purposes.

The Southwest Manitoba Regional Foundation will gratefully accept donations of any kind or amount to be utilized in achieving the objectives of the foundation. However, to administer funds designated by the donor to be utilized in a specific manner, said bequest must fall within the objectives of the Foundation and said donation must be valued in excess of an amount as set from time to time as a minimum amount, by the Board of Directors.
